“Remember”
1 Corinthians 11:23-26
Pastor Bill Hoffman

What for you are some memories – people, events, words, actions – that you can see have had an impact on who you are today?

What are some words and phrases that especially stand out to you in the passage?

- Verses 23-26 are part of Paul’s teaching to correct an abuse of the Lord’s Supper in which the Corinthians were using it as a feast for their own families.
- Put into your own words the purpose of this meal that Paul is calling this church to see.

When you partake of the Lord’s Supper does it impact you in ways that someone verbally telling you that Jesus died for your sins does not?

- Why might this be the case?

What is the connection between Jesus’ death and his love for people?

- How does believing you are loved by God impact you?
