“Thirsty”
Psalm 63
Pastor Bill Hoffman

Reflect on and pray through the Psalm keying on the three uses of “my soul”:

Verse 1: “My soul thirsts for you (God).”

- What is the context in which David is especially aware of his soul’s thirst for God?

Verse 5: “My soul will be satisfied (in God).”

- What is David seeing and doing that causes him to find his soul satisfaction in God?

Verse 8: “My soul clings to you (God).”

- How does David’s clinging to God here relate to what he has said in verses 2-5 and what he will say in verses 9-11?
