“Do You Want to Get Well?”
John 5:1-18
Pastor Bill Hoffman

Verse 7: What does this invalid man see as the key to becoming well?

Verses 8, 14: What does Jesus see as important in his situation?

- To what extent do you think being well depends upon your circumstances?
- To what extent on your choices?

What do you see about Jesus' character or identity:

- In his stopping by the pool and speaking to the paralyzed man?
- In healing him?
- In what he says about his and his Father's work?
