“It’s All Good – Really”
Philippians 1:12-18
Pastor Bill Hoffman

What might your attitude be if you were “in chains” (verse 14), and knew that others were seeking to “stir up trouble” (verse 17) for you?

- How would you describe Paul’s attitude in these lines?

Verses 12-14.

- What two benefits does Paul mention that have resulted from his being detained?
- Can you think of contemporary examples in which the gospel has been advanced and believers encouraged in the midst of adverse circumstances?

Verse 16.

Paul believes that he has been “put here (literally = posted like a soldier) for the defense of the gospel”.

- In what unlikely places have you been *posted* by God to serve him?
