“Real Heroes”
Philippians 2:19-30
Pastor Bill Hoffman

In this passage, what stands out to you about Timothy? About Epaphroditus?

- Can you think of some people you know with these qualities or who have been to you something like what these men were to Paul?

How would you respond if someone were to suggest that God might be calling you to be a career missionary? To serve in some short-term missionary work?

- To whom in your everyday world might God be calling you to be something like Epaphroditus was to Paul?

Of Epaphroditus, Paul says to “Welcome him in the Lord with great joy, and honor men like him ...” (verse 29). What sorts of people are received with “great joy” and “honor” at East Main?
