### “Remember the LORD, Your God” Deuteronomy 8 Pastor Bill Hoffman

**Verses 10-16:** Under what conditions is Moses concerned that the Israelites might forget God?

When are you most inclined to forget God's place in your life, and what is it about him that you most easily forget?

**Verses 17-18:** To what extent do you think of yourself as a “self-made man/woman”? Do the words of verse 18 ring true to you?

**Verses 19-20:** How can forgetfulness of God be destructive to:

- a nation?
- a church?
- an individual's life?

What can you do that will help you to “Remember the LORD, your God”:

- daily?
- weekly?
- seasonally?
