“If It's Broken ...”

Nehemiah 1:1-4

Pastor Bill Hoffman

Verses 3-4 What is the situation that leads Nehemiah to weep, mourn, and pray with fasting?

- What in our community, our church, and in your own life might bring you to such a place?

Read closely Nehemiah's prayer in verses 5-11.

- What does he declare about God, his people, and himself?
- What does he ask God to do for himself and for his people?

Spend some time this week asking God to show you something specific:

- a) in our church, and
- b) in your own life that is incompatible with who we/you are as children/a child of God.
