“God Does Not Show Favoritism”
Acts 10
Pastor Bill Hoffman

Who do you know like Cornelius: a generally good, respectable person, but one who has not yet come to grips with Jesus?

Note and flesh out the following key factors in Cornelius' story and draw parallels to your own:

- The vision from the angel—something clearly supernatural.
- Cornelius' obedience to the angel's directive.
- Peter's witness to him.

There were many religious and cultural traditions that easily could have prevented the encounter between Peter and Cornelius from happening.

- Are there aspects of our church that may hinder spiritually hungry people from encountering Jesus or growing in faith?
- If so, how can these be overcome?
