“God Bless America – Through Us” 2 Chronicles 7:11-14 Pastor Bill Hoffman

To whom does the phrase “my people, who are called by my name” refer?

Who would be the contemporary heirs of these people?

- To what extent do you see this passage as applicable to a nation like our own?

Often in the Old Testament God’s blessing is pronounced in terms of an if/then proposition.

In 2 Chronicles 7:14:

If God’s people will:

- humble themselves
- pray & seek God’s face
- turn from wicked ways

Then God says he will:

- hear from heaven
- forgive them
- heal their land

Which of the “if” requirements do you find most challenging?

Which of the promised blessings do you most long for?
