PRAYER CORNER

Pray for strength and perseverance for those who are in treatment or who have been diagnosed with serious illnesses. Pray also for grieving families in the midst of tragedy.

Pray for the church of the week: Middle Pres, Mt. Pleasant, PA.

Pray for our church, our mission and the search for future staff positions.

A SPECIAL THANK YOU...

...to all the volunteers who made VBS a success! Thank you teachers, baby sitters, crew leaders, decorators, registration team members, drivers, and those who have donated supplies for Vacation Bible School. Your time and dedication to this program made this a very successful week for the children!

NOT JUST FOR KIDS

Bill Hoffman | John 20:30-31

What connection is John saying there is between "miraculous signs" and Jesus being "the Christ, the Son of God."?

John's use of the words "believe" and "believing" here seem to indicate something more than mentally knowing some information about Jesus.

Put into your own words what John means by these words.

"... and that by believing you may have life in his name.

What's the difference between being physically alive and really living?

- In VBS the children considered some realities that can rob people of life: loneliness, worry, struggles, doing wrong, and being powerless. In the midst of one or two of these challenges: how does knowing and following Jesus, "the Christ, the Son of God" give a person life in the midst of them?
