PICNICS IN THE PARK!

July 10th, July 17th, and July 31st
This summer in July (dates above), you are invited to a church family (everyone is invited) picnic at 6:00 p.m. in the Fellowship Pavilion in Memorial Park. This will be a time of fellowship for adults and fun adventures for the kids (if you are a big kid...then you can help with the adventures). There is something for everyone!!
The dinner will be provided. No need to bring anything....not even table service! A small donation to cover the meal would be appreciated.

There will be No Summer Sunday school for Children and Youth. Sunday school will resume August 27th.

There will be Adventures in Worship and Nursery at both services this summer. There is a great need for Nursery volunteers this summer. Please go on the website Sign-Up Genius and sign up to help in the Nursery!
Thank you to all that have supported vacation bible school with donations of food, supplies, money, creativity, prayers, and time. Thank you for being a wonderful blessing to the children. :)

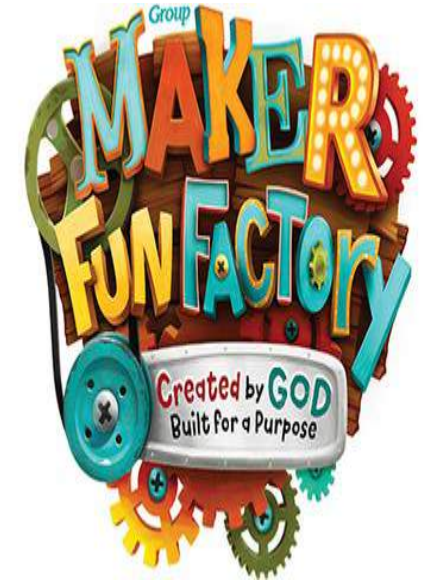

Please keep our Senior High Mission Team in your prayers as they serve with Urban Promise in Wilmington, DE this week. The group of 26 volunteers are assisting with Urban Promise's summer day camp programs in the mornings and then tackle several significant work projects that will include re-roofing a building and assisting with interior renovations at another building in the afternoons. Pray for safe travels throughout the week, good health for the team members, a spirit of unity and cooperation, safe and successful completion of work projects, meaningful connections with staff and students, and for spiritual growth for all participants.

Thank you for your support of our students and the privilege of serving through this opportunity!

WELCOME ALL!

Welcome to worship at East Main. Our desire is that God would be glorified and you would be encouraged to walk closely with Him. If you are new to East Main this worship bulletin will hopefully give you some idea of who we are and what we believe God calls us to be about. We also hope that you will give us an opportunity to greet you personally and learn more about who you are and how we might be of help to you. Again, welcome to worship.

Becoming a Kid Again.

We receive God's kingdom *"like a little child"* as we believe and seek to live into the central message of the Bible. A brief outline of that message:

1. **Designed for Good.** We ache for a better world and to be better people because we were designed by God for good. (Genesis 1:31)
2. **Damaged by evil.** It's obvious that we and the world are not as we long to be. (Gen. 3)
3. **Restored for better.** With the coming of Jesus God has initiated his great project to restore us and the world to the good for which he made us. (John 3:16)
4. **Sent out together to heal.** As we submit to Jesus' leadership, we become more as we were made to be, and we begin to help others and our world become more as they were made to be. (Matthew 28:16-20, Romans 12:9-21)

If you would like to better understand why Christians embrace this message and find it to be such good news, please speak with one of our pastors or a follower of Jesus who you trust.

RESERVE JULY 9th

Please save the date, Sunday, July 9, as we celebrate the 10th Anniversary of Pastor Bill's call to East Main Presbyterian Church in the Fellowship Hall from 10:00—11:00 am.
